

RESEARCH EXCELLENCE AWARDS

PURPOSE:

- ▶ To foster and recognize excellence in research by students in the dairy field in Canada.
- ▶ To assist M.Sc. and Ph.D. students in dairy-related programs at Canadian Universities to present poster or oral papers of research results at regional, national or international conferences, the latter to include the FIL-IDF Annual Dairy Summit.

PRIZES / AWARDS:

Two prizes of \$5,000 each to be awarded annually

ELIGIBILITY:

- ▶ Presenter must be a Canadian citizen or landed immigrant.
- ▶ Presenter must be a full-time student registered for the Masters or Ph D degree related to dairying at a Canadian University.
- ▶ Poster or oral presentation at a conference anywhere during the calendar year of judgement.
- ▶ Subject in the dairy field - dairy technology sciences, nutrition, economics, dairy animal husbandry and environment.

SELECTION:

By the Dairy Research Excellence and Education Program Committee based on excellence of the research and usefulness to the dairy industry, academic scholarship and geographic distribution.

APPLICATION:

- ▶ Poster material or presented paper submitted electronically (preferred) or by hard copy:
- ▶ Letter of transmittal by Chairman of department
- ▶ One supporting letter (one page only)
- ▶ CV of senior author (one page only)

SUBMISSION OF APPLICATION:

All application must be submitted to FIL-IDF Canada's Secretariat before September 1 of the year the award is granted.

Please note: A maximum of three nominations per department and five per university.
